We therefore invite you to (2.1) appoint the Board of Directors after determining the number of members and the term of the office; (2.2) define the annual remuneration of the Board members.

(2.1) Appointment of the Board of Directors and the Chairman, after determination of the number of members and the term of the office.

Dear Shareholders,

With regard to the determination of the number of Directors, we remind you that, pursuant to Article 12.1 of the Articles of Association, the Company is administered by a Board of Directors which is composed of 5 to 15 members, who will remain in office for up to three financial periods, and the offices will expire on the date of the Shareholders' Meeting called for approval of the financial statements relative to the last period during which they were in office and they may be re-elected.

Therefore, prior to proceeding to the election of the Board of Directors, the Shareholders' Meeting shall

determine the number of members of the governing body, who shall be no less than 5 and no more than fifteen, and also set the duration of the office for a period of time not to exceed three years.

Regarding the appointment of the members of the Board, as already indicated in the notice of call, the relative procedure is governed by Article 12 of the Articles of Association and shall take place on the basis of lists submitted by the shareholders, in which the candidates are listed in progressive order.

The lists presented by the shareholders, signed by those that submit them, must be delivered to the company's headquarters, located at Viale Isonzo 25 in Milan, at least twenty-five days prior to the date set for the Shareholders' Meeting on first call. After the list or lists have been submitted, it/they will be published within the times and according to the procedures as provided by the applicable laws.

We reiterate that each shareholder, the shareholders who participate in a shareholders' agreement pursuant to Article 122 of Legislative Decree 58/1998, the controlling entity, the subsidiaries and the entities subject to common control pursuant to Article 93 of Legislative Decree 58/1998 shall not present or attempt to present, including through a third party or a trust company, more than a single list, nor shall they vote on different lists and no candidate may be included on more than one list, under penalty of ineligibility. The participations and votes expressed in violation of this rule shall not be applied to any list.

Only shareholders who, alone or together with other shareholders presenting lists, representing at least 2.5% of the share capital, are entitled to a vote in the Ordinary Shareholders' Meeting, pursuant to Consob resolution no. 19856 of 25 January 2017.

Furthermore, together with each list, and within the respective deadlines indicated above, the following must also be submitted (i) the declarations with which each candidate accepts his or her candidacy certifying, under their own responsibility, that there are no causes for ineligibility or incompatibility, and that the requirements for the respective offices are fulfilled; (ii) a CV

containing the personal and professional qualifications of each candidate with indication of that candidate's suitability for qualification as an independent director pursuant to Article 148, paragraph 3 of Legislative Decree 58/1998. Within the deadlines set for the publication of the lists by the company, it is necessary to file the appropriate certification issued by a third party who is authorised pursuant to the law, proving ownership of the number of shares required for submission thereof, at the time that the list was submitted to the Company.

Lists submitted in violation of these provisions above shall be considered as not having been submitted.

The Board of Directors will be elected as specified below:

- a) all the directors except one will be elected from the list that has obtained the highest number of votes, in the progressive order in which they are listed on that list;
- b) the remaining director will be elected from the minority list that is not in any way connected, even indirectly, either with the list under a) above nor with the individuals that presented or voted for the list under a) above, and this individual shall have obtained the second highest number of votes.

To this end, account will not be taken of the lists that have not received a percentage of votes at least equal to one half of the percentage requested for presentation of the lists above.

Should the candidates elected pursuant to the procedures above not result in the appointment of a number of directors that possess the requirements of independence established for the statutory auditors pursuant to Article 148, paragraph 3, of Legislative Decree 58/1998, equal to the minimum number established by the law in relation to the total number of directors, the non-independent candidate elected last in the progressive order of the list who obtained the highest number of votes under a) of the paragraph above, will be replaced by the first independent candidate who has not been elected from the same list, according to the progressive order in that list or, for want of the former, the first independent candidate according to the progressive numbering who was not elected on the basis of the other lists, according to the number of votes obtained by each. This replacement procedure shall be used until the Board of Directors comprises a number of members who meet the requirements under Article 148, paragraph 3 of Legislative Decree 58/1998, equal to at least the minimum number required by the law.

If the election of the candidates through the above methods does not result in a Board of Directors that meets the requirements applicable regarding gender balance, the candidate of the most represented gender, elected last in the progressive order of the list with the highest number of votes will be replaced by the first candidate of the less represented gender who was not elected but on the

same list, in the progressive order of the list. This replacement procedure will continue until the composition of the Board of Directors is compliant with the applicable laws regarding gender balance. If this procedure fails to achieve the required result, the replacement will take place on the basis of a resolution adopted by the relative majority of the Shareholders' Meeting, upon submission of the candidacy of individuals belonging to the less represented gender.

If only one list is presented or if no list is presented, the Shareholders' Meeting shall resolve on the basis of the legal majority, without observing the procedure above, so as to ensure the presence on the board of the minimum number of independent directors required by the law and the Articles of Association and compliance with the applicable laws regarding gender balance.

In light of the above, we hereby invite you to: a) set the number of members of the board of directors and determine the term of the office; b) appoint the Board of Directors and the Chairman thereof, expressing your vote for the list submitted by you, individually or together with other shareholders or, if you have neither presented a list nor participated in presenting a list, your vote for one of the lists presented.

(2.2.) Determination of the annual remuneration of the members of the Board.

Dear Shareholders,

We remind you finally that, pursuant to Article 12.21 of the Articles of Association, you are required to define the remuneration payable to the Board of Directors. We remind you that on 29 April 2014 the Shareholders' Meeting resolved to set the total remuneration of the Board of Directors, composed of 5 members, at Euro 100,000.00.
