

Press Release

RDM Group's production activity continues, as it is deemed essential by the new decree

Milan, 23 March 2020 – In accordance with the latest Prime Ministerial Decree dated 22 March 2020, RDM Group announces that its production is among the so-called essential activities identified by the decree and, as such, will continue. The cardboard produced by our plants is an essential part of the packaging chain, mainly destined for the food and pharmaceutical sectors.

All the Group's plants are currently active and will continue to produce and guarantee the fulfilment of the orders received from customers.

With reference to its production sites, RDM Group specifies that the rate of capacity utilization continues to remain high, with the greatest attention to health and hygiene regulations and in the most scrupulous respect of common Health and Safety, and declares itself careful to introduce further and more specific provisions if needed.
